	Chairperson P&C Vice President Musette Healy calls meeting to order at 7.36pm
<b>1. Apologies</b>	Vanessa Erickson, Deb Flanagan, Kylie Booth, Nicci Fishwick, Emma Fenton, Michelle Christopher
<b>2. Attendees</b>	Musette Healy, Joanne McAdam, Julie Tanger, Janine Sherlock, Leigh Bornstein, Cathy Carlton, Robin Beard, Shirley Lou, Amelia Riddle, Kerith Massey, Chantal Mamo, Kate McGettigan, Vanessa Oliveri
<b>3. Opening</b>	Musette Healy
<b>4. Acceptance of previous minutes</b>	Action: Minutes accepted and passed as true reflection  Passed: Shirley Lou Second: Amelia Riddle
<b>5. Business Arising from Previous Minutes</b>	<p><b>Defence Force Packs - update</b> **Unfortunately, Kevin from post office was held up by ADF in regards to information for the Xmas packs. we only recd information this week, however due to being so close to Movie Night I have advised that we are unable to collect this year. Kath Boon is coordinating Xmas Cards by Kindys or Year 6 still.</p> <p><b>P&amp;C Dungeon Clear Out</b> **Thank you to Julie Tanger, Shannon Curran and Mr Paul who gave up half a day in school holidays to clear the dungeon out. There was an incredible amount of junk dumped into the Dungeon and we filled the skip to capacity. I contacted the Soccer Club and offered them the tables they borrow - they declined so they have been put into the skip. Unfortunately we noticed that one of our new BBQs was used and left broken in the dungeon including a gas bottle left empty. I am making the decision that we should not be loaning our BBQs to anyone anymore. It is more than disappointing to find our brand new bbq broken. It would be ideal if the dungeon is not used as a dumping ground. The skip costs were \$700. Last meeting the committee approved expenditure for more shelving - funnily enough we found an unopened box of shelving under the junk so this was not required to be purchased. The P&amp;C committee approved replacement of the heavy tables with more manageable tables from Bunnings - these have not yet been purchase but will be purchased prior to Movie Night.</p> <p><b>Canteen Cleaning Timings</b> - after last meetings request by Jane to see if the cleaner timings can be moved to accommodate cleaning of the Canteen, Julie was able to move the cleaning schedule which is welcomed by Jane. Thank you Julie Granville.</p> <p><b>Canteen Friday Volunteers</b> - after much discussion regarding lack of Friday volunteers, I contacted Lisa Gordon, Shannon Currand &amp; Julie Tanger offering them a rotating position on a Friday. This system has worked well and relieving stress in the canteen on a Friday - thank you all.</p> <p><b>Term Deposit Rollover Update:</b> Shirley will discuss this in her report.</p>

	<p><b>TWPS P&amp;C Policy update (AGM date &amp; meeting time)</b> - I contacted the Federation, they do not keep a copy on their files, we just have to ensure we follow the guidelines which we have. Now that the minutes have been accepted an updated copy can be uploaded onto our Website which will be done this week.</p>
<p><b>7. Correspondence</b></p>	<p><b>Email re Uniform pricing - Musette to read. See Appendix 9</b></p> <p>Discussion about this. Chantal Mamo explained how it is a huge process to change the uniform and could take at least 3-4 years. Janine also discussed the prices of uniforms in TWPS are on par with other schools in the area. If there is a need for school assistance with the costing of uniforms there are options for this through the school. The uniform is reviewed regularly between the school and the uniform shop and at this stage there is no need to change the current uniform.</p> <p><b>Action:</b> Vanessa to reply to the email to explain that at this stage there will be no change to the current uniform and explain if there is any issue with expense that they can meet with Chantal about fee assistance.</p>

	<p>anywhere out the back in the scrub area - if there was a spot fire this could be an issue to put this out without any close proximity to a tap. Action: Chantal to look into this to see if a tap could be installed out the back and to investigate options with the water tank.</p> <p><b>2020 Uniform Pricing:</b> Janine Sherlock</p> <p>Janine discussed the pricing for 2020. She has said that the sports shorts price will increase to ensure it is equal between boys and girls. Most uniform items have gone up in cost by approximately 5% which occurred in July 2019.</p> <p>I will not be offering discounts on packages moving forward as I am wanting to make sure that we can keep the lowest prices for all our families, regardless if they are able to purchase \$200+ at the one time or not. As such the majority of prices I have not recommended a price change.</p> <p>Any price decreases will be available ASAP and all increases will be applicable on Flexischools from 1 January 2020 and in the shop from Term 1 2020.</p> <p><b>Website Contact - Lesley Zeilger last year:</b>          Action: Louise to take over this role and then keep it as part of the secretary role on the P&amp;C</p>

#### **President's Report – 29th October 2019**

Welcome to the 7th meeting of 2019. Thank you Musette for Chairing for me this evening while I attend the Jnr Choir performance.

Firstly - WELCOME BACK MRS MAMO. It is so great to have you back at your home TWPS. A big thank you to Julie Granville, Sarah Allen, & Kath Boon who filled in during Mrs Mamo's absence.

I have def hit the ground running for Term 4. LOTS of Movie Night organisation going on and it couldn't happen without the amazing team of parents who go above and beyond for these events!

### THORNLEIGH WEST PUBLIC SCHOOL P&C Meeting Minutes Tuesday 29th of October 2019 Meeting Held: TWPS School Library Giblett Ave Thornleigh

RAFFLE has been distributed with thanks to Mel Barter- please be sure to sell your tickets sooner rather than later. Details about shop selling will come out next week.

SILENT AUCTION is building up with a massive shout out to SImone Raison and Kirsty De Vallance. This will be going live 2 weeks prior to Movie Night AND will conclude on the Sunday evening AFTER movie night at 8pm. Be sure to bid! This year ALL classes are working on some incredible artwork that will be up for bidding - I have seen a few creations and all I can say is WOW there are some stunning pieces and I hope there is a bidding war! BID HARD EVERYONE!

WORLD TEACHERS DAY - big thanks to those on the committee who helped wrap the teachers gifts. It was great to divert this option to celebrate this Day instead of Xmas when everything is literally dragging themselves to the finish line.

We welcome a few new Sponsors for Movie Nights! Aquabliss as Silver Sponsor, Mint Fresh as Silver Sponsors and Competition sponsors of Colouring In Competition, Northpoint Bookkeeping - the small business specialist and Desk Hub - both Bronze Sponsors.

COMPETITIONS have been sent home last week PLEASE PLEASE enter all the competitions! The first due date is THIS FRIDAY - Creative Writing - please encourage your children to enter!!

Big Thanks to Kim Richards who has done all the creative design of our flyers and banners. Banners should be up this week with thanks to Leigh from Scooda, and flyers have been ordered - if anyone is available to letterbox some please let me know! The more people thru the gates, the more money we raise!

COON TOASTIE MUFTI LUNCH - Thank you Jo Phillips for organising this - it was extremely popular and a great event. Jo will discuss further in her report.

NRL Last day of term - big thank you to Pennant Hills Stags for donating 650 icypoles last day of term for the Teachers Vs Year 6 OzTag event. THANK YOU also to Trevor Long for MCing the day - it was also fabulous to see our final stage 3 PA system working! Thank you Matt Dalziel for ensuring it was all up and working and to Peter Mudie for all your hard work getting this amazing PA system connected in our school over the past 3 years.

SCHOOL BANKING - Lyndal Staff our School Banking Coordinator is leaving TWPS end of 2019. After an initial call out it looked like School Banking would be ceasing at the end of this year. Thankfully with a whole lot of begging we have had some new people offering their services. Lyndal is organising training for this role.

FAMILY PHOTO SHOOT - we had the most perfect weather for the family shoot last weekend. Jo will discuss this in her report

GRANDPARENTS DAY - thank you to Deb Flanagan and Putu Barnett for organising. Deb has written a short report from the event. Now that we don't have a dedicated catering convenor it is great to have this information shared for up and coming events. **See Appendix 10 - Grandparents Day 2019 Feedback - Deb Flanagan**

Ross Warren, Principal of PHHS came along for a very informative Meet the principal Q&A session last term. It was great to see many year 6 and other parents attend this session. Ross was very generous with his time and answered many questions.

MOVIE NIGHT is just 4 weeks away! An all school email was sent this morning with a lot of information. The biggest issue for Movie Night will be volunteering - PLEASE sign up - every stall is open to all families - work with friends with babysitting/children watching - we all have kids. PLUS it would be great to see lots of DADS sign up - we don't have to have just Mums on the cake stall! PLEASE PLEASE sign up early! OH and don't forget to order your Rides armband sooner rather than later!

Thanks all. See you around the grounds.

*Vanessa*

### Appendix 4 - Uniform Shop

Uniform Shop Report – P&C 29 October 2010

The start of term 4 has been relatively quiet in regards to sales. I have had delivery of most of the summer stock that I was expecting, with some final deliveries happening this week.

Kindy orientation is starting on Friday, and I will be opening for ½ hour on each of these Fridays from 10:30 for parents to come in and ask any questions. I will be opening Eventbrite for Kindy uniform fittings from Friday. At the moment I have only made a limited number of appointments available and I will add more as required over the coming weeks. I have also added a 'class' for Kindy2020 in Flexischools that is linked to the uniform shop. This will allow new parents to order online and be able to pickup from the uniform shop. I am also offering a layby service so parents will be able to spread the payments over a period of time. The layby service will only be available in the shop, however, progress payments will be able to be made in Flexischools as well as in the shop.

I have also been looking at the price list for 2020 which we will discuss later – I will not be offering package discounts as such, however we will be providing kindy purchases with a P&C enviro bag for each purchase and for higher spends the keep cups and recipe books while stock last.

I will also be doing some clearance of older stock over the remainder of this term and into 2020 – clearance items will be available both on Flexischools and in the shop, however this only applies to specific items and/or sizes.

For term 4 I needed to change the days that I will be doing flexischool deliveries due to some commitments that I have during the day on Tuesdays and Thursdays. Currently I have ordering open on the Monday, Wednesday and Friday. As of next week I will only do Flexischools deliveries on Wednesdays and Fridays (unless there are any objections?). **Action: All agreed on this.**

I have not pushed for volunteers to help out in the shop much this year as I had been changing some of the systems and how things were working. I am now in a good position in where there is going to be far fewer changes for the remainder of this year and into 2020 so I would like to get some regular helpers, specifically for shop opening times but also to help with stocktakes etc. I have set up the shop with a spare computer to act as a primary register to allow for extra people helping with sales.

Thanks

Janine Sherlock

#### **Canteen report for October P&C meeting**

The new additional paid help on Friday is working really well – I am a lot less stressed!!!

The canteen has had a pretty busy start to term 4 with fairly large order numbers, this will only get more as the year comes to an end.

Nothing more to report.

Thanks,

<b>Report Title:</b>	<i>Band Report</i>
<b>Date :</b>	<i>October 2019</i>
<b>Prepared by:</b>	<i>Robin Beard</i>

**Band Update.**

Instruments – About to sign up to the insurance policy for our instruments. Replacement value of \$127K. So About \$2500 insurance premium (at \$20 per thousand insured).

I've not added values to instruments which are currently unused and are over 10 years old. However, I have added a value to things like the timpani which are over 10 years, but quite expensive if they were ever stolen.

In general, Brass instruments retain their value better than woodwind. So it is possible that the committee might wish to add things back on, depending on the excess we'd pay? Glockenspiels?

*Deductibles/Excess;*

*\$250 Portable Electronic Equipment*

*\$250 all optional covers (short term) & other covers*

*\$500 for sums insured exceeding \$100,000*

*\$100 all other losses*

Sadly we have lost a tenor sax just before the policy. Yet to determine the replacement for this.

All Bands have been performing at school assemblies and Grandparents day as well as at Normanhurst West Music by Moonlight (Senior Band) on Sept 21<sup>st</sup>, Manly Jazz festival.

This weekend is Hornsby North Band Festival, again all bands will be performing.

Cake stall fundraiser at Bunnings made \$760. Thanks to all the parents who supported the band baking and selling.

Instrument try out day is this Thursday October 31<sup>st</sup>, with Parent Information Evening on 4<sup>th</sup> November, Senior Band will perform and information presentation about the program will be delivered, along with why music and band is a great thing to be part of.

At the end of this term, Nicole and I will be standing down as Convenors of the Band, we've been in the role for 3 years now and it's time for someone else to take over. We are currently looking for someone who would like to take on this role, or roles. Our current committee seem happy with the roles they already carry out. Nicole and I still around, have children in the band program still, so transition should not be an issue. It looks like we will have to look outside the current band committee though. It's a great thing to do for the school / students – please let Nicole or I know if you're interested in finding out more about it.

### Appendix 7- Green Thumbs Report

Hi,

The Green Thumbs are going well.

The Wicking Bed installation went very well, many thanks to all those who helped out on the day - Julie Tanger & husband Oliver, Flynn & Ashleigh Hannelly & Ashleigh's mum, Carl, Will, Alex & Zoe Nicoll, Chloe & Lucy Fenton, Fiona, Evie & Jemma Greenwood, Susan Liddle and especially to Ian from WaterUps from Down Under. The beds have been working well recently when it has been very dry and they are maintaining their moisture levels. We may look at converting 2 more beds next year as the crops will benefit and it is a great way to teach the students about being water wise too.

We are having a 'Potting Bee' for the Movie Night Plant Stall tomorrow morning (30<sup>th</sup> October) in the Garden if anyone would like to join us or drop off any cuttings or slips.

We are very thankful to Ross Ramund at the Hornsby Council Nursery for agreeing to provide us with 50 native tubestock plants again.

Many thanks to all those who have put their hands up to help on the stall on the day. We're looking forward to helping with the fun on the day and more importantly the fundraising.

Overall the Garden is growing well, and the students are enjoying Garden Club on a Tuesday Lunchtime. Thanks again to all the volunteers for coming down each week garden with the students. A special shout-out to Fiona Greenwood who has been helping the students to test the soil and teaching them about garden care and being water wise. We are very lucky to have her on our team.

Many thanks,  
Emma Fenton  
Green Thumbs Convener

## Appendix 8- Fundraising Report

### Fundraising Report October 2019

Last term saw us celebrate mufti day with the Coon Toastie Cheese Truck. The food truck came on site and with the assistance of 8 mums 450 Coon Toasties were prepared and served with a total profit of \$1652. The Coon Toastie Truck representative advised that this could be a yearly event at school if we liked. Given the small amount of volunteers required for the large profit it is a sound idea for future fundraising.

This term we have had the school photo-shoot event based on school over a weekend. 53 families participated in this event raising \$1325 thanks to the generosity of the photographers from Digital Flashbacks for allowing our families to participate in this event.

Specific planning for Movie Night is well underway. We have 6 local businesses electing to provide entertainment in the hall between 400-530pm. These businesses have also contributed to our Silent Auction by way of donation.

The Lolly and Chocolate Drives will occur in the next two weeks to ensure stock is acquired for the Chocolate Toss and Lolly Stalls at Movie Night.

Following Movie Night we have our inaugural Gingerbread Making and Decorating Christmas Event with over 100 participants attending!

### Appendix 9- Email Correspondence read out at the meeting

Good Morning,

My name is Adrian Hannelly proud father of year 2 student Flynn Hannelly. Firstly I would like to thank the teachers, staff and the P&C on a fantastic job you are doing. My son truly enjoys going to school each day, which is a massive it is a credit to you.

On the subject of the school uniform. I was wondering if there is a chance to change it in the future. While I think the uniform looks really great, it is very expensive. One boys shirt is over \$30 and shorts are over \$15. For 2 shirts and shorts + jumper we are looking at paying over \$120 (not including shoes and really everyone knows that they need at least 3 shirts if you don't want to wash everyday). To add to this, the shirts stain very easily (sun screen will leave dark patches are that hard to impossible to remove).

I know that there is a second market for school uniforms but as I mentioned before the shirts stain very easily so any shirt bought second hand is invariably stained in someway. Also, maybe for the reasons mentioned above, the second hand market is very thin. If you are not watching it every hour you can go months without seeing something in your child's size.

I am sure I am not the only parent who is feeling the pinch with these uniform prices and as such I was wondering if there was a chance to change the uniform to something that is a bit more cost effective and easier to keep clean (polo shirt jumps to mind). I know that it wouldn't be as smart as the current one but it would help the parents out quite a lot.

Thank you for your time

Adrian Hannelly

### Appendix 10 - Grandparents Day 2019 Feedback - Deb Flanagan

Grandparents day was a success, despite losing power to the hall for a while.  
The song/dance performances were amazing and well received.

The morning tea was plentiful and also well received.  
Putu Barnett was in charge and did a fabulous job.

Comments -

- 1 - There were several parents sitting in the chairs that should have been reserved for grandparents. - SUGGESTED SOLUTION - Use ushers next year
- 2 - It appears that the 2 urns were responsible for fusing the hall. This led to one urn/tea/coffee station being set up in the COLA and a morning tea table also being set up there. This did not work very well, as we then had hot drinks around the children. It also meant that there were several children helping themselves to the morning tea table. - SUGGESTED SOLUTION - Do not put the urn/tea/coffee in the COLA - EVER
- 3 - We ran out of hot water very quickly. - SUGGESTED SOLUTION - Buy/acquire another urn or 2 kettles to be kept for situations such as this
- 4 - Food was held back so that the late arriving grandparents had something for them. We probably held too much back, as we had leftovers. - SUGGESTED SOLUTION - Hold back less
- 5 - I think we probably need less chips and more sandwiches/quiches/slices. These always go first. - SUGGESTED SOLUTION - More sandwiches/quiches etc

Thank you

Deb Flanagan
